

Remember the 1982 championship season for the Bluejays football team?

Were you a player? Fan? At the Metrodome
for the final nail-biting game?

The Truman Tribune plans a retrospective edition about that season, publishing before the town's 125th birthday observance during Truman Days this summer. Relive the memories or read about it for the first time. The issue will feature interviews with former players, pictures and a comprehensive game-by-game story.

Become part of the edition and share your memories by emailing: editor@trumantribune.com
